MEMORANDUM FOR: TSS/Security Operations Officer

SUBJECT : Liaison Request for TSS/ED Personnel with Quartermaster Research and Development Command, Natick, Massachusetts

- (BURIAL PACKAGING)

1. It is requested that your office effect liaison with the Quartermaster Research and Development Command at Natick, Massachusetts. TSS/ED personnel would like to discuss problems in burial packaging and climatic testing on a continuing basis through Secret classification.

2. It is suggested that the Commanding General, Quartermaster Research and Development Command, Natick, Massachusetts, be cleared and notified of the clearance of TSS/ED personnel.

[redacted] are the TSS/ED personnel who wish to visit the Natick laboratory. The following personnel at Natick are engaged in work of interest to TSS/ED:

J. Fred Oesterling  
Chief, Chemical and Plastics Division  
and  
Dr. J. C. Montermoso  
Chemical and Plastics Division.

3. Your assistance in achieving this liaison will be greatly appreciated. Please call [redacted] extension [redacted] if any further information is desired.

10 [redacted]  
Chief  
Engineering Division, TSS
